Sec. 7. Upon completion of an examination of a mortgage broker, the examiner shall rate the mortgage broker on a scale of “1” to “5,” as follows:

1. A rating of “1” indicates that the mortgage broker and the management of the mortgage broker have demonstrated a high degree of compliance with applicable laws and

regulations. A rating of “1” may be given if there is a minor violation or deficiency, but only if the mortgage broker acted to correct the violation or deficiency immediately and the action taken by the mortgage broker is likely to prevent future violations or deficiencies.

2. A rating of “2” indicates that the mortgage broker and the management of the mortgage broker have demonstrated substantial compliance with applicable laws and regulations and that any deficiencies noted in the report made by the examiner pursuant to section 8 of this regulation can be corrected by the mortgage broker with a minimum of regulatory supervision. A rating of “2” may be given if there is more than one minor violation or deficiency, but only if the mortgage broker acted to correct the violations or deficiencies immediately and the action taken by the mortgage broker is likely to prevent future violations or deficiencies.

3. A rating of “3” indicates that the mortgage broker and the management of the mortgage broker have demonstrated less than satisfactory compliance with applicable laws and regulations and that regulatory supervision is required for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to section 8 of this regulation. A rating of “3” may be given if there were minor violations or deficiencies from a previous examination that were not corrected.

4. A rating of “4” indicates that the mortgage broker and the management of the mortgage broker have demonstrated substantial lack of compliance with applicable laws and regulations and that immediate remedial action is required for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to section 8 of this regulation. The mortgage broker will be subject to close regulatory supervision, and the examiner will recommend disciplinary action against the mortgage broker to the Commissioner.

5. A rating of “5” indicates that the mortgage broker and the management of the mortgage broker have demonstrated unsatisfactory compliance with applicable laws and regulations and that immediate remedial action is required for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to section 8 of this regulation and may include action by the Commissioner to take possession of the business and assets of the mortgage broker. The examiner will recommend disciplinary action against the mortgage broker to the Commissioner.

Sec. 8. 1. Not more than 30 days after the completion of an examination of a mortgage broker, the examiner that performed the examination shall prepare a draft report of the examination and provide the draft report to appropriate personnel of the Division. The draft report must include only:

(a) Facts that are contained in the files, books, records or other documents of the mortgage broker that were examined by the examiner;

(b) Facts that are contained in statements made by officers or agents of the mortgage broker or other persons that the examiner interviewed concerning the mortgage broker; and

(c) Conclusions and recommendations that are reasonably supported by the facts that are included in the draft report, including, but not limited to, the rating given to the mortgage broker pursuant to section 7 of this regulation.

2. Not more than 15 days after the draft report of an examination is received by the Division, the Commissioner or his designee will deliver to the mortgage broker who was examined:

(a) A copy of the draft report; and

(b) Notice that the mortgage broker has not more than 30 days, unless the Commissioner, for good cause, allows a longer period, to review the draft report and submit to the Commissioner, in writing, any comments regarding or objections to matters contained in the draft report.

3. If a mortgage broker received a rating of “3,” “4” or “5” and submitted written comments or objections within the period specified in subsection 2, the Commissioner or his designee will:

(a) Not more than 15 days after the last day on which the mortgage broker could submit written comments or objections pursuant to subsection 2, hold an informal meeting with the mortgage broker regarding the draft report; and

(b) Review the draft report, together with the written submissions or objections made by the mortgage broker and any relevant portions of the working papers of the examiner, and, not more than 15 days after the date on which the informal meeting was held pursuant to paragraph (a):

(1) Adopt the draft report as filed;

(2) Adopt the draft report with modifications;

(3) Provide the mortgage broker with an opportunity for a formal hearing; or

(4) Direct the examiner to reopen the examination to obtain additional data, documents or information and, if necessary, file a new draft report pursuant to subsection 1. If the findings of the initial draft report are supported by the findings of the examiner after completion of the reopened examination, the mortgage broker is responsible for the costs attributable to the reopened examination pursuant to NRS 645B.060.

4. If a mortgage broker:

(a) Received a rating of “1” or “2” on an examination pursuant to section 7 of this regulation and submitted written comments or objections within the period specified in subsection 2; or

(b) Did not file a written comment or objection to a draft report within the period specified in subsection 2,

→ the draft report will be deemed to be the final report of the examination.

5. Pursuant to NRS 645B.060, the results of an examination are not open to public inspection until the requirements set forth in subsection 3 are completed.

6. If the examination and report reveal that a mortgage broker is operating in violation of this chapter, chapter 645B of NRS or a previous order of the Commissioner, the Commissioner may order the mortgage broker to take any action the Commissioner deems necessary or appropriate to correct the violation. The Commissioner may also take disciplinary action pursuant to NRS 645B.670.

7. The Commissioner may, for good cause, extend any period specified in this section that is applicable to an examiner, the Commissioner or his designee for an additional period of not more than 15 days.

Sec. 9. 1. A mortgage broker, mortgage agent or qualified employee who is also licensed as a real estate broker or real estate salesman and who acts in both capacities in a single transaction must make to the borrower the disclosures set forth on the form prescribed by the Division pursuant to subsection 2, including, but not limited to:

2. The mortgage broker, mortgage agent or qualified employee shall provide the disclosures required pursuant to subsection 1 to the borrower at the time of application for a loan and in the following format:

(At least 10-point font)

BORROWER(S)

ACKNOWLEDGMENT AND AGREEMENT CONCERNING
DUAL CAPACITY AS REAL ESTATE SALES AGENT AND MORTGAGE LOAN AGENT

(At least 12-point bold font)

Borrower(s) are under no obligation whatsoever to allow their real estate sales agent to initiate or submit the borrower(s) loan package to any mortgage lender, broker, banker or investor. Mortgage brokers and other loan originators cannot offer loans from all funding sources and cannot guarantee the lowest price or best terms available in the market.

There may be other mortgage loan providers available with similar services and lower rates and/or fees. You are free and encouraged to contact various lenders to determine that you are receiving the best service and rates and lowest fees for those services. A comparative analysis of providers' services, rates and fees is recommended prior to making a decision on which lender to use.

(At least 10-point font)

Borrower(s) are hereby informed and expressly acknowledge the following:

- Real estate sales agent _____, hereinafter referred to as “agent,” is also associated with _____ (mortgage broker/banker) and is acting in the dual capacity as both mortgage loan agent and real estate sales agent and shall receive compensation from the real estate sales transaction and separate compensation for arranging the mortgage loan.

- Real estate company _____ (check one of the following):

_____ Does have a business relationship with the licensed mortgage broker/banker or exempt company to which your loan is referred. Because of this relationship, this referral may provide the real estate company named above a financial or other benefit.

Describe the nature of the relationship, including percentage of ownership interest, if applicable.

_____ Does not have a business relationship with the licensed mortgage broker/banker or exempt company to which your loan is referred.

The mortgage broker/banker must provide you with a good faith estimate disclosing all estimated costs of the loan, including the yield spread premium (YSP.) The YSP is income paid to a mortgage broker upon delivery of a mortgage loan to a lender at a premium interest rate.

By signing I/we confirm my/our understanding of the information provided herein.

BORROWER

BORROWER

By signing this form, the mortgage loan agent agrees that any fees paid to the mortgage broker/banker/agent as referred to above will not increase the cost of borrower(s) loan beyond the normal and customary charges typically collected by mortgage lenders, brokers or investors.

Description of loan: _____

(At least 14-point bold type)

BEFORE YOU INVEST IN A PROMISSORY NOTE SECURED BY AN INTEREST IN REAL PROPERTY, YOU SHOULD KNOW . . .

The funding of a loan or purchase of a promissory note that is secured by a lien on real property (mortgage loan) is an investment that involves some risk.

(At least 10-point type)

An investment in a promissory note secured by a lien on real property, usually through a deed of trust (mortgage loan or mortgage loan investment), like most investments involves the risk that the investment will not perform as expected. The mortgage broker with whom you are dealing is not a depository institution, and a deed of trust investment is not secured by any depository insurance or insured or guaranteed by any agency of the State of Nevada or the Federal Government. Nevada law prohibits the mortgage broker with whom you are dealing from representing or even implying to you that he will ensure or guarantee that the investment will perform as expected. The borrower on the loan may default in required payments, and you may lose all or part of the principal amount you invested and/or the interest you expected to earn from the investment.

Some of the most significant factors that affect your risk in a mortgage loan investment include: (1) the knowledge, experience and integrity of the mortgage broker with whom you are dealing; (2) the market value and equity of the property that will secure the promissory note; (3) the borrower's financial standing and creditworthiness; (4) the escrow process involving the funding of the loan or purchase of the note; (5) the documents and instruments describing, evidencing and securing the loan; (6) the provisions regarding the collection and servicing of the loan; and (7) the provisions for enforcement of the deed of trust.

(At least 14-point bold type)

You are entitled to information about the mortgage broker with whom you are investing.

(At least 10-point bold type)

You are entitled to receive information regarding the mortgage broker with whom you are dealing from the Division of Mortgage Lending, which may be contacted at either one of the following locations:

Division of Mortgage Lending
400 W. King Street, Suite 406
Carson City, Nevada 89703

Division of Mortgage Lending
3075 E. Flamingo Street, Suite 104A
Las Vegas, Nevada 89121
702.486.0780

You have the right to request the mortgage broker with whom you are dealing to authorize the Division of Mortgage Lending to release to you the most recent financial statement of the mortgage broker on file with the Division.

☐ YES, I would like to review a financial statement. ☐ NO, I would not like to review a financial statement.

Disclosures required by subparagraphs (3) and (4) of paragraph (b) of subsection 6 of NRS 645B.185:

Has any disciplinary action been taken by the Commissioner of Mortgage Lending against the mortgage broker or any general partner, officer or director of the mortgage broker within the preceding 12 months? ☐ YES ☐ NO. If yes, describe below:

Has the mortgage broker or any general partner, officer or director of the mortgage broker been convicted within the preceding 12 months for violating any law, ordinance or regulation that involves fraud, misrepresentation or a deceitful, fraudulent or dishonest business practice? ☐ YES ☐ NO. If yes, describe below:

You also have the right, pursuant to subsection 3 of NRS 645B.090, to ascertain from the Division of Mortgage Lending:

- Whether the Division of Mortgage Lending has disciplined the mortgage broker during the immediately preceding 5 years.
- The findings and results of any investigation against the mortgage broker pursuant to the provisions of chapter 645B of NRS which was completed during the immediately preceding 5 years and which resulted in a finding by the Commissioner of Mortgage Lending that the mortgage broker committed a violation of a provision of chapter 645B of NRS, chapter 645B of NAC or an order of the Commissioner.

(At least 14-point bold type)

You are entitled to have a written appraisal of the property that is to secure your deed of trust investment as well as other information relating to the property.

(At least 10-point type)

The law requires the mortgage broker with whom you are dealing to obtain and make available for your inspection a written appraisal of the real property which is to secure the mortgage loan investment unless you specifically waive in writing your right to have the appraisal performed. An appraiser who is licensed or certified to perform real estate appraisals in this State must perform the appraisal if the property is located in this State. The mortgage broker with whom you are dealing is prohibited from performing the appraisal or providing any estimate or opinion of the value of the property that is to secure the mortgage loan investment, unless the mortgage broker is certified or licensed to perform the appraisal pursuant to chapter 645C of NRS. You are entitled to a copy of the appraisal upon request.

- ☐ I waive my right to an appraisal for this loan.
☐ I wish to review an appraisal for this loan.

Investor: _____
Date: _____

In addition to a written appraisal, you are entitled to know whether the real property that will secure the loan is encumbered by any other liens and, if so, the priority of each such lien, the amount of debt secured by each such lien and the current status of that debt, including, without limitation, whether the debt is being paid or is in default.

The real property that will secure this loan ☐ is ☐ is not encumbered by any other liens. If other liens exist, describe, for each lien:

Description: _____
Amount encumbered: _____
Priority: _____
Current status: _____

(At least 14-point type)

You are entitled to review information relating to the financial standing and creditworthiness of the borrower and documentation relating to the mortgage loan. Pursuant to NAC 645B.080, you will be asked to complete a form in which you acknowledge that you had the opportunity to receive and review that information and documentation.

You are entitled to review documentation relating to how the mortgage loan is funded and serviced.

(At least 10-point type)

Nevada law requires the mortgage broker to fund the entire amount of the loan either out of his trust account directly to the borrower or through a third-party escrow agent. In most cases, the loan will be funded through a third-party escrow agent. An escrow is opened when money, documents, instruments and written instructions regarding the transaction (escrow instructions) are conditionally delivered by the principals to a third party (escrow agent). The escrow instructions set forth the conditions that must be satisfied or waived before the escrow agent may disburse your money to the borrower or the note holder. You have the right to review the escrow instructions. The escrow instructions should be consistent with your understanding of the loan transaction and should identify a specific promissory note and deed of trust (or interest therein). Escrow "closes" when all the conditions of the escrow instructions have been waived or satisfied, the instruments have been recorded and the money has been disbursed. You have the right to review a closing statement relating to the escrow describing to whom and how the money was disbursed.

In many cases, including those cases where the investments consist of "fractionalized" interests, i.e., ownership of less than 100% of the mortgage investment, the loan requires servicing by an authorized agent. Loan servicing includes collecting payments from borrowers, disbursing payments to investors or note holders, mailing of appropriate notices, monitoring the status of senior liens and encumbrances, maintaining adequate insurance coverage and coordinating foreclosure proceedings. The mortgage broker with whom you are dealing is authorized by Nevada law to act as the servicing agent for the mortgage loan he originates. It is recommended that all persons investing in a mortgage loan which will be serviced by a servicing agent execute a written servicing agreement that clearly specifies the authority granted to the servicing agent. The servicing agreement should address issues such as: (1) the fees for servicing and how they are to be paid; (2) the person who has the authority to instruct the trustee under the deed of trust to commence foreclosure proceedings in the event of a default; (3) how, in the case of a "fractionalized" note and deed of trust with multiple parties owning beneficial interests, the parties are to determine and direct the actions to be taken in the event of default or with respect to other matters that involve the enforcement of terms of the promissory note and/or deed of trust (Nevada law requires that the documentation pertaining to a note and deed of trust owned initially by more than one natural person include a provision by which record holders of 51% or a greater specified percentage of the beneficial interests in the mortgage loan may direct certain actions that require direction or approval of the holders of beneficial interests); (4) the identity of the person responsible for holding the original promissory note and deed of trust; (5) how the loan servicing agreement may be terminated by the investors in the mortgage loan; (6) the right to obtain the names, addresses and phone numbers of other persons with beneficial interests in the loan; and (7) the monitoring of any senior liens.

A mortgage broker performing loan servicing has an obligation to account to the borrower and every investor for money collected and disbursed in the exercise of that function.

(At least 14-point type)

You have the right to know whether the mortgage broker with whom you are dealing, or any relative of the mortgage broker, is acting in any capacity, or has any other interest, other than as a mortgage broker.

(At least 10-point type)

Nevada law requires the mortgage broker with whom you are dealing to disclose to you whether he, or any relative of his, has any personal interest in the mortgage loan other than as a mortgage broker. For example, if the mortgage broker owns a 50% interest in the builder applying for a construction loan, the mortgage broker is required to disclose that interest to you. In addition, if a mortgage broker or a relative of the mortgage broker is licensed as, conducts business as or holds a controlling interest or position in (1) a construction control company, (2) an escrow agency, or (3) a title agent, a title insurer or an escrow officer of a title agent or title insurer, the mortgage broker must fully disclose that relationship to every investor, and may not require, as a condition to the acquisition or purchase of an interest in a mortgage loan, that the investor transact business with or use the services of the other business.

The mortgage broker, or a relative of the mortgage broker, has an interest in this loan in a capacity other than as a mortgage broker. ☐ YES ☐ NO. If yes, explain below:

(At least 14-point type)

Collection of a promissory note and enforcement of a deed of trust involves some risk.

(At least 10-point type)

When the borrower on a mortgage loan fails to make required payments, the actions an investor can take, or that a servicing agent can take on behalf of an investor, are determined by provisions of Nevada law and the documents and instruments evidencing the mortgage loan. Frequently, the borrower who is delinquent on your loan is also delinquent on senior liens. Even though your loan may be current, the borrower may fail to maintain the payments on senior liens, such as taxes, insurance premiums or deeds of trust. A breach of or default in connection with a senior lien by the borrower most likely constitutes an event of default under your deed of trust. It is therefore important that the status of all senior liens be monitored. Before investing in a junior deed of trust, you should determine the amount of debt service (payments) required to maintain the senior lien(s). To protect your investment during any senior lien (loan) foreclosure, it may be necessary for you to maintain the payments (with your own money) on all senior liens. You may lose your interest in the property securing the loan if a senior lien forecloses on the property.

There will be other costs associated with enforcing a mortgage loan, such as attorney's fees and processing fees, and there will likely be a delay of some months before the foreclosure process is complete. Issues such as whether to commence a judicial or nonjudicial foreclosure, deficiency judgments, rents and profits if the property is income-producing, and bankruptcy may also need to be addressed.

(At least 14-point type)

If you have questions.

(At least 10-point type)

If you have any questions regarding any of the issues discussed in this disclosure form, discuss them with your mortgage broker, lawyer or financial adviser, or a trusted friend or family member. No one can guarantee that a particular investment will be risk free, but with information about the specific risks involved, you can take steps to minimize your risk.
